# Founder

..

## Mr. Kopano Ledingwane

After playing my role extensively in the event world, I decided to form an organization that would provide “perfect” audio and visual solutions after noticing that most audio, visual companies pay very little attention to detail when it comes to implementing production for their events.

# About Us

**We are Perfect Audio (PTY) LTD, the audio and visual company that delivers perfection in every event. Whether you need sound systems, video equipment, staging, lighting, decor, or DJ services, we have the perfect solution for you.**

We have been in the business since 2013, and we have a wealth of experience and expertise in the audio and visual industry. Our founder, Mr. Kopano Ledingwane, is a seasoned event professional who saw a need for audio and visual solutions that pay attention to detail and quality. He created Perfect Audio with a vision to provide “perfect” audio and visual solutions for any occasion.

We work closely with our clients to understand their needs and expectations, and we tailor our services to their budget and preferences. We have a team of qualified and experienced staff who are passionate about audio and visual solutions and who strive to exceed customer satisfaction. We have a reputation for excellence and reliability in the audio and visual industry.

We are Perfect Audio (PTY) LTD, the perfect choice for your audio and visual needs.

**Mr. Ledingwane is a fully qualified live sound engineer and has a track record of almost 20 years in the industry.**

# Our Values

***The provision of perfect audio setups in all venue types and conditions.***

## Our Vision

Our vision is to be the leading audio and visual company in South Africa that delivers perfection in every aspect of our work. We aim to create innovative and exceptional audio and visual solutions that exceed customer expectations and enhance their events.

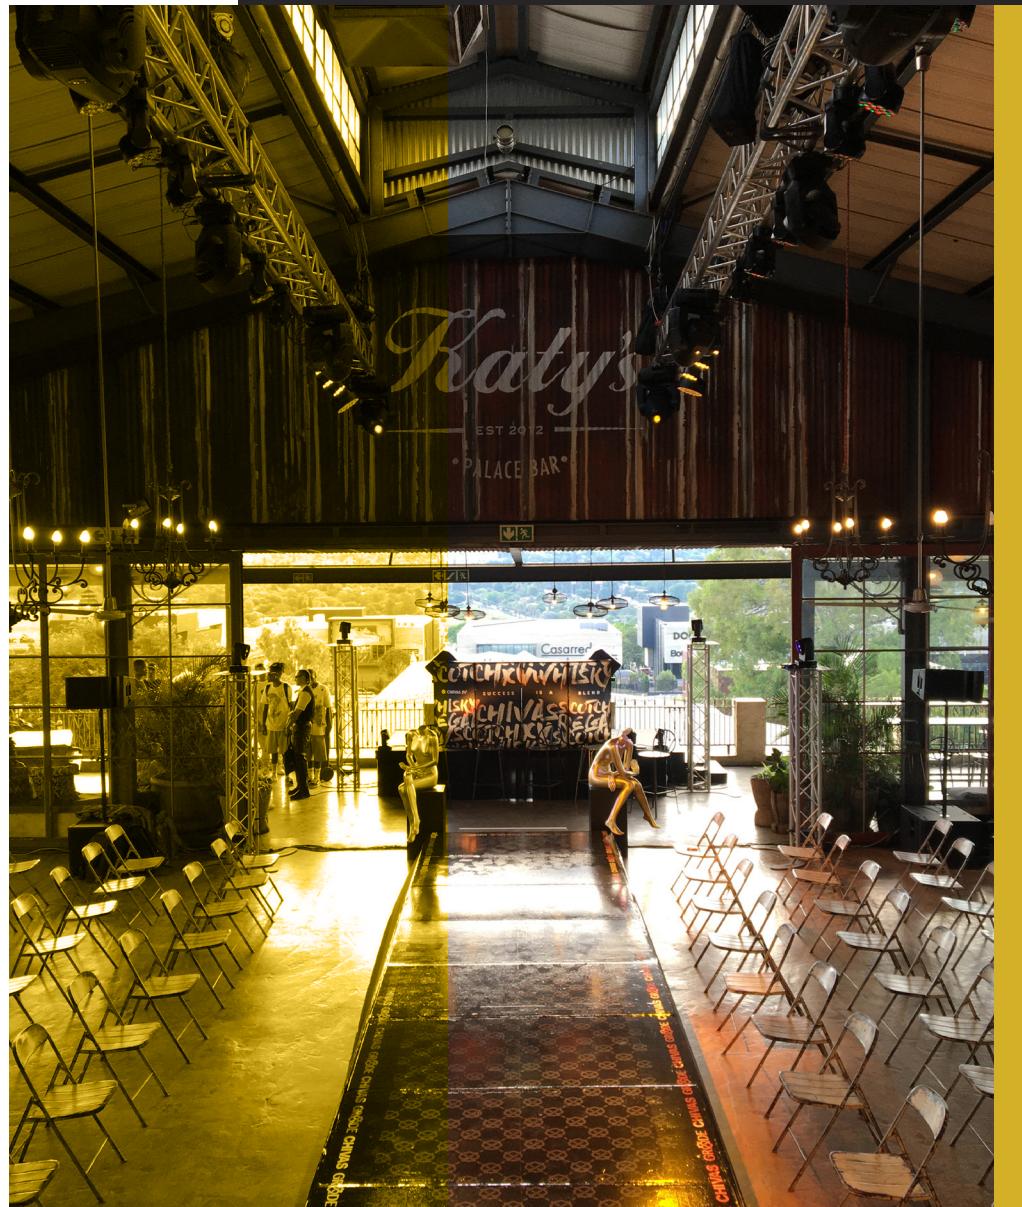

## Our Mission

Our mission is to provide high-quality audio and visual services that are tailored to the client's needs and budget. We strive to build long-term relationships with our clients by offering professional advice, personalized service, and reliable support. We value customer satisfaction, integrity, and excellence above all else.

## Our organisational value system entail doing business with:

- Integrity
- Diligence
- Accountability
- Respect
- Ethics

# Why Choose Us?

**We offer a wide range of services, including:**

## Audio & Visual:

We provide high-quality sound systems, microphones, speakers, mixers, amplifiers, and other audio equipment for any occasion. We also offer video projectors, screens, monitors, cameras, and other visual equipment for presentations, conferences, and entertainment.

## Staging:

We provide staging solutions for any event, such as concerts, festivals, weddings, parties, and exhibitions. We offer different types of stages, such as modular stages, mobile stages, truss stages, and custom stages. We also provide stage accessories, such as curtains, backdrops, lighting, and rigging.

## Sound Installations:

We design, install, and maintain sound systems for various venues, such as hotels, restaurants, bars, clubs, churches, schools, and stadiums. We ensure that the sound quality is optimal and meets the client's specifications and expectations.

## Lighting:

We provide lighting solutions for any event, such as spotlights, floodlights, strobe lights, laser lights, LED lights, and disco lights. We also offer lighting effects, such as smoke machines, bubble machines, fog machines, and confetti machines. We create stunning lighting displays that enhance the mood and ambiance of any event.

## Professional DJ Services:

We provide Professional DJ services for any event, such as music selection, mixing, scratching, MCing, and karaoke. We have a team of professional DJs who can cater to any genre and audience preference. We also have a collection of music CDs and vinyl records for any occasion.

## Mobile Brand Activation Services:

We provide mobile brand activation solutions which are unique and aimed at creating memorable marketing experiences. Our mobile activation services come in a form of a VW T1 Kombi and a customised mobile kitchen. These mobile services are available nationwide in South Africa and can be used for promotions, advertisements, launches, and campaigns. The VW T1 Kombi is a classic and iconic vehicle that attracts attention and creates a memorable impression.

# Perfection is what we do best

***We are passionate about audio and visual solutions and we strive to deliver perfection in every aspect of our work.***

We have a team of qualified and experienced staff who work closely with our clients to understand their needs and expectations. We have a reputation for excellence and customer satisfaction. We are always ready to take on any challenge and exceed expectations.

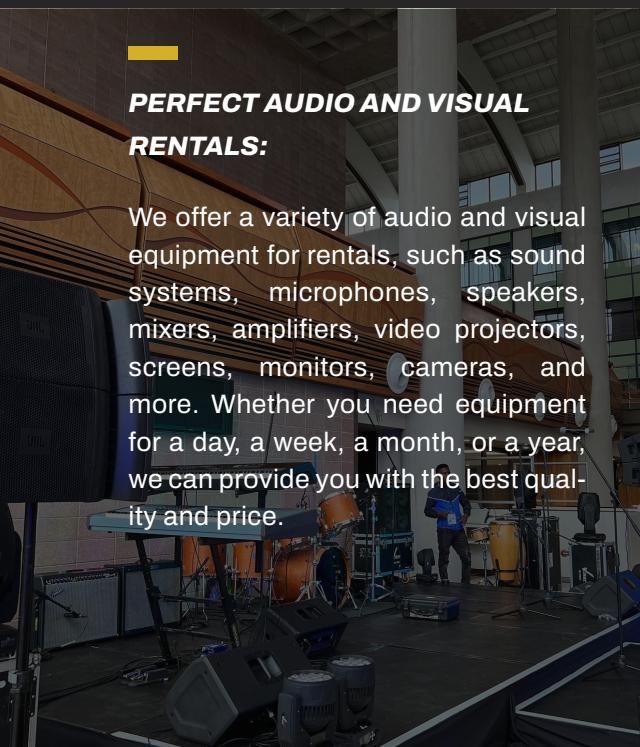

# We are Perfect Audio

**Besides providing audio and visual solutions for all events, we also have several specialized divisions that cater to specific needs and markets. These include:**

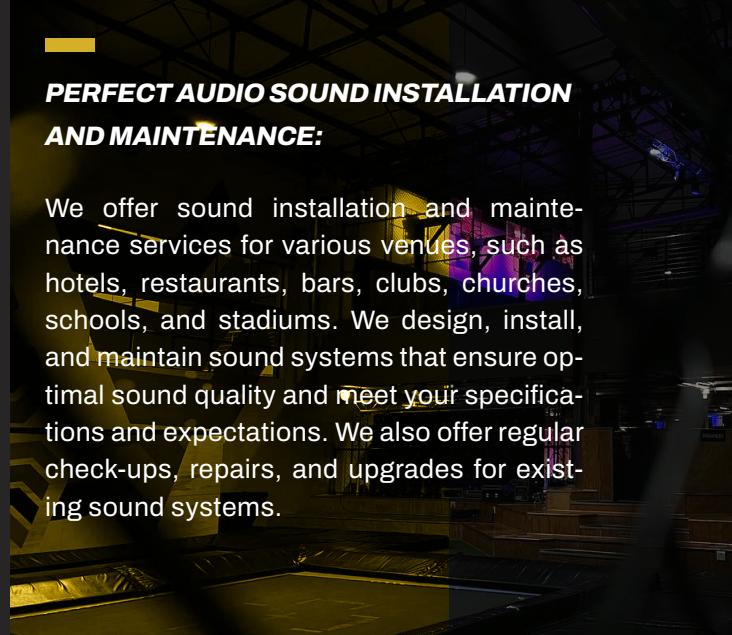

## PERFECT AUDIO AND VISUAL RENTALS:

We offer a variety of audio and visual equipment for rentals, such as sound systems, microphones, speakers, mixers, amplifiers, video projectors, screens, monitors, cameras, and more. Whether you need equipment for a day, a week, a month, or a year, we can provide you with the best quality and price.

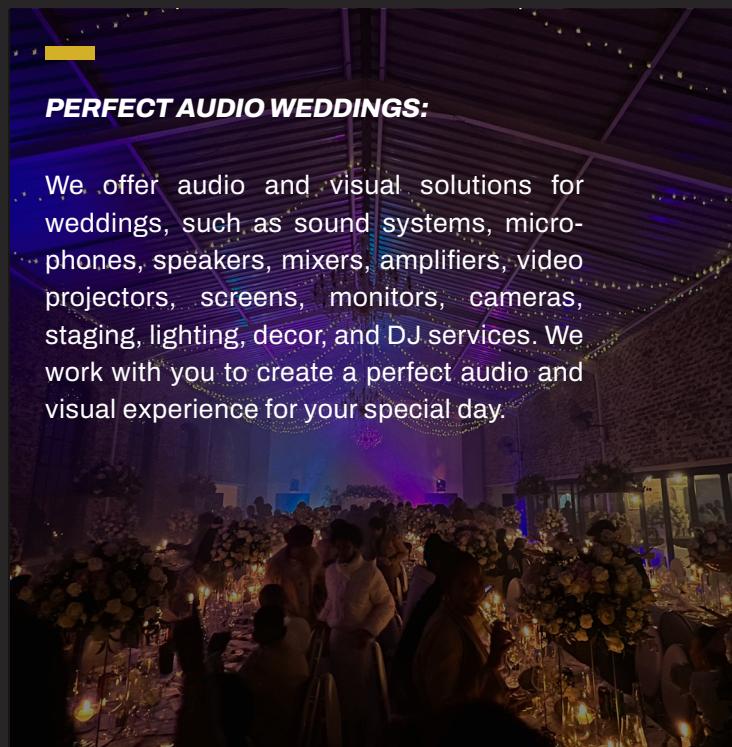

## PERFECT AUDIO SOUND INSTALLATION AND MAINTENANCE:

We offer sound installation and maintenance services for various venues, such as hotels, restaurants, bars, clubs, churches, schools, and stadiums. We design, install, and maintain sound systems that ensure optimal sound quality and meet your specifications and expectations. We also offer regular check-ups, repairs, and upgrades for existing sound systems.

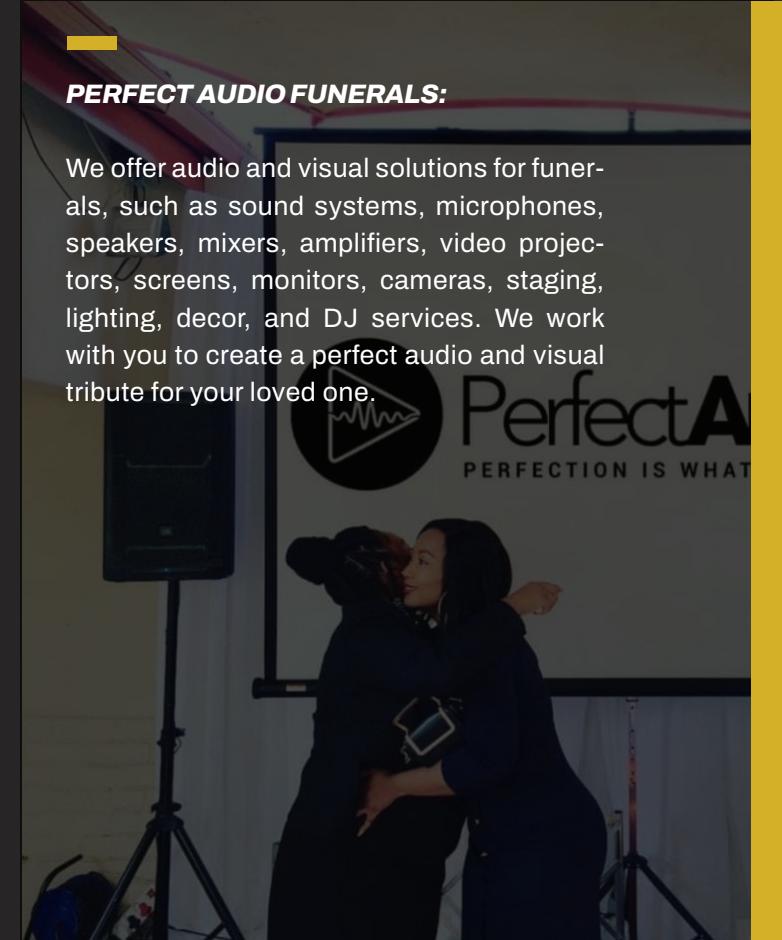

## PERFECT AUDIO WEDDINGS:

We offer audio and visual solutions for weddings, such as sound systems, microphones, speakers, mixers, amplifiers, video projectors, screens, monitors, cameras, staging, lighting, decor, and DJ services. We work with you to create a perfect audio and visual experience for your special day.

## PERFECT AUDIO FUNERALS:

We offer audio and visual solutions for funerals, such as sound systems, microphones, speakers, mixers, amplifiers, video projectors, screens, monitors, cameras, staging, lighting, decor, and DJ services. We work with you to create a perfect audio and visual tribute for your loved one.

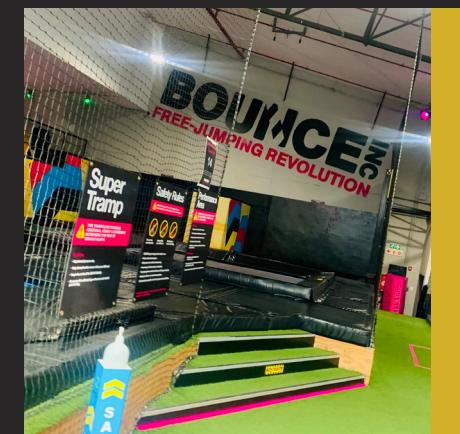

**These are some of the specialized divisions that we have to offer.**

**They are all part of our commitment to provide perfect audio and visual solutions for any occasion.**
